

# Art & Science Camp

**Instructor:** Susan Radle

**Location:** Eaton Academy

**Date:** June 20<sup>th</sup> – 24<sup>th</sup>

**Time:** 9:00 am – 12:00 pm

**Grades:** 6<sup>th</sup> – 8<sup>th</sup> grade students

**Cost:** \$125.00 per camp + \$25.00 materials fee for each camp

## Course Description

Learn exciting scientific concepts and use the knowledge, awareness, and observations as the basis to make creative pieces of artwork! Themes include:

**Bacteria are Beautiful:** Investigate harmful and beneficial micro-organisms. Observe how beneficial micro-organisms (yeast) help the digestive processes. Recreate observations in a 3D piece of art.

**Enjoy Your Cells:** Check out the structure of cells in both plants and animals. See how they are alike and how they are different. Use your observations to produce a multi-layered representation of cells.

**The Sun and the Seasons:** Who let the Vernal Equinox loose??? Look at the changing seasons, learn scientific terms, and make a portable sundial.

**Intriguing Insects:** Discover the difference between animals, insects, reptiles, and spiders. Use the Linnaeus classification system to check them out! Make beautiful necklaces with pictures of these marvelous creatures!

**Fossils are Fabulous:** Everything gets better with age! Learn how fossils were formed. Look at the history of our earth and make a take-home fossil for your room!

*To sign up, please complete the form below and submit it along with your payment to Eaton Academy by May 23, 2011.*

**Please circle the desired camp/camps below.**
