

Presenting...
**Exciting New Drama Camps at
Eaton Academy**

**Drama Camp for Grades 3 - 5
June 13 - 17 9:00am - 12:00pm**

This is a great camp for kids who are interested in learning about all aspects of the theatre – everything from acting and improvisation to how to use props and costume pieces! The main idea is to build self esteem and self worth by using acting skills, games (that professional actors use) and scene work. A skit or scene will be performed on the last day of camp. Above all, this camp will be lots of fun for everyone as the participants learn about the whole theatre experience!

**Drama Camp for Middle School Grades
June 13 - 17 1:00pm - 4:00pm**

In this camp we will focus on having fun in front of an audience. With public speaking still being a significant fear in this country, it's time for our young people to conquer it! They will learn acting and improvisational skills that will build their confidence. The demonstration on the last day of camp will show off what they have learned! This is a great camp for children to improve their skills in an entertaining group atmosphere!

The cost of each camp is \$135.
